

**COME TO THE PWV
PLANT EXCHANGE GARDEN PARTY
Saturday, September 10, 2016*
1-4 PM
400 Central Park West
Back Garden West Bluestone Area**

- **Bring House & Terrace Plants to Give Away and Take Away or Begin Your Own Plant Collection.** Share what you know about growing them with neighbors. This is an opportunity to learn from each other.

- **Bring cuttings** from your favorites for neighbors to create new plants. It is exciting to watch the start-ups as they grow.

- **Save the Perennials**
It could be another killer winter! Learn how to protect (overwinter) the terrace plants you prize to ensure returns next year.

- **Q&A**
Consult with knowledgeable residents who will be on hand and pick up Fact Sheets at the Information Table. Tell us about what's worked and not worked in the homes and gardens of PWV.

Tables will be set up for plants and cuttings. Please identify plants with name tags or labels. Photos will be helpful. You are the expert on the plants you bring. Your experience will be useful and appreciated.

***Rain Date: September 11**

**A Park West Village Community Event
Organized by 400 CPW Residents**
